

Day Camp For Young Sailors

The sessions have been developed to accommodate all levels of student. From beginners with no experience on a boat to the advanced racer. The students are split into groups so that they are participating with students of the same level. Instruction will be on Picos, Optimist and Laser Dinghies depending on the students size and skill level.

Each class will be instructed by three certified instructors and be limited to 24 students. In addition, the classes may include 1-2 camp helpers to help facilitate the class.

With a student to instructor ratio of 5 to 8 students for every instructor/facilitator, your children are sure to get a lot of hands on attention.

What are the Instructor Qualifications

GCSEF hires professional coaches to provide the Grapevine Sailing Community the special coaching young sailors need to build confidence and encourage them to excel. GCSEF selected these instructors specifically for their sailing expertise and ability to adjust their coaching to meet the needs of each and every student.

Who Is eligible to Participate

The summer camp is open to all North Texas children and young adults. All participants must be at least 8 years old and no older than 16 years of age, unless approved by the Camp Director. All participants must also be capable swimmers.

What will my child need to bring?

All participants must provide a Coast Guard approved life jacket which also must fit properly. Participants are also responsible for: *swim suits, tennis shoes, t-shirts, sunscreen, sunglasses, towel, hat, and water bottle.*

Juniors Racing Optimist Dinghies

GCSEF will Provide all boats. Boat usage fees are included in the standard fees. If a student has a designated boat that they would like to bring, please let the instructor and/or Mike Lipari know.
